

# WORKSHEET E

## The Solar System

### Write a Moon Story

Learners' Names:

Date: \_\_\_\_\_

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_

#### Instructions

1. Below are four Moon facts, each group member will draw a cartoon illustrating the fact in a given block.
2. As a group you need to organise these pictures to make a story that you will then write down.
3. The group then presents the story to the class.

#### Moon Facts:

- ★ Spins on its own axis in 28 days.
- ★ Orbits the Earth in 28 days.
- ★ The Moon is lit up by the Sun.
- ★ The Moon 'rises and sets' **OR** Add a fact of your own here.

Draw your cartoons in the blocks in the order of the story.
